frmBG

"new game"

"start/stop" "quit"

a spider graphic
(version 2) = lots of spiders

hits/misses/status
display

"Bang the weasel" variant

A spider "teleports" around the screen

— could change colour — red, blue, black

— form click registers a "miss"

— red spider = game over — you lose

— blue — registers a "miss"

— black — registers a "hit"

5 "hits" = you win

5 "misses" = you lose
